Statement of Substance of Interview and surrounding facts

1. On January 15, 2004 applicant received a notice from the US Postal Inspection Service advising that certain articles of mail addressed to me had been recovered outside postal channels. (A copy of the letter, envelope and papers recovered by the Postal Inspection Service was previously submitted on 1/21/2004. For convenience, a copy is again attached hereto.)
2. Included in the mailing from the US Postal Inspection Service was a cover sheet from the USPTO identifying an Office communication regarding application serial number 09/816,287.
3. The mailing from the US Postal Inspection Service also included various additional papers on identity theft.
4. Upon receiving the paperwork from the US Postal Inspection Service, applicant's attorney or record, Mr. Vollrath, contacted the examiner, Mr. Mark V. Prenty, by telephone, who made enquiries and advised applicant to request a remailing of the Office Action of 5/28/2003 (of which only the cover sheet had been retrieved by the US Postal Inspection Service).
5. Applicant submitted a request for remailing on 1/21/2004 (see attached Transmittal Form), which was received by the USPTO on 1/26/2004.
6. On 6/2/2004 applicant again contacted examiner Prenty by telephone to enquire about the remailing of the Office Action, which had not yet been received. During the interview Mr. Prenty and Mr. Vollrath were present and Mr. Vollrath enquired about the status of his request for remailing of the Office action. Mr. Prenty advised Mr. Vollrath that this was a matter not handled by the examiner but that it had been referred to the SPE. Since Mr. Vollrath had during the first telephone interview already mentioned the facts surrounding the theft of the Office action of 5/28/2003 and had, pursuant to Mr. Prenty's instructions mailed a request for remailing, the circumstances surrounding the Office action of 5/28/2003 were not again discussed at the interview of 6/2/2004. No finality was reached at the interview except insofar as the matter was still being looked into.
7. Subsequently, an interview summary of the latter telephone conversation was mailed by examiner Prenty on 6/09/2004, pursuant to which applicant is submitting this formal written statement of the substance of the interview (paragraph 6 above) and surrounding facts. A copy of examiner Prenty's Interview Summary is attached hereto.
8. Since the Office Action was clearly stolen from the US Postal Service and failure to respond was entirely beyond applicant's control, it is requested that the Office communication be resent and the time for response be reset.

Respectfully Submitted,

Dated: 6/26/, 2004
